EULA

This is an End User License Agreement (EULA) between You (the End User) and Seabell Type Foundry (STF).

By downloading and/or installing, copying, or using Fonts by Seabell Type Foundry, You are accepting and agreeing to the terms and conditions of this license.

If You have any questions, encounter any kind of problems or bugs with the fonts or have any kind of suggestion, please contact me at [info@seabellfoundry.com](mailto:info@seabellfoundry.com)

---

USAGE

You can use the Fonts to create images for any surface, such as screens, posters, t-shirts, books, magazines, packaging, album covers, billboards, social media publications, you name it. Logos, visual identities and documents are permitted. Web usage is permitted too, no matter how many visitors you have. Exhibition, film and broadcast usage is, well, also permitted.

Basically every commercial or personal use is allowed as long as it's respectful with others and in a non-destructive way.

---

MODIFICATIONS

You need Seabell Type Foundry's prior written consent to modify, adapt, translate, reverse engineer, decompile, disassemble, or create derivative works based on the Fonts. That means to edit or modify the font files in itself in font editors, such as Glyphs or Robofont.

You may not resell or redistribute the Fonts or any derivative works based on them.

---

PROPERTY

All rights to the Fonts and contained intellectual property belong to Seabell Type Foundry. This licence does not give You the Copyright to the design of the font, but the limited, non-exclusive, right to use the font.

Unmodified copies of the Fonts are only permitted for archival purposes.

---

PROPERTY

Seabell Type Foundry has the right to terminate the license if You reach and/or fail to comply with any term contained in this agreement. Upon termination You are obliged to destroy the original and any copy of the Fonts.
